THE COUNTY CONVENTION.
Indorses Dr. John D. Clardy for the Senate.
While Mr. John P. Garnett Receives the Nomination for Representative.
Prof. S. L. Frazee Was Nominated by Acclamation for County Superintendent of Public Schools.

PEN POINTS.
PROBITY VS. POLITICS.
JACKY VS. JACKEY.
The county convention was held at the court-house in this city Monday at 3:30 P. M. The meeting was called to order by C. M. Meacham, Chairman of the County Democratic Committee. Mr. Meacham first announced the object of the meeting. He then stated that the question of appointing delegates to the National Democratic Convention would not come up; as to which of the counties, Christian or Hopkins, was entitled to the Senator, would be decided by the State Central Committee.

THE OUTLOOK.
MEN WHO MAY BECOME CANDIDATES FOR CONGRESS.
The following was clipped from yesterday's issue of the Henderson Gleaser:
"Some time since it was announced in the Gleaser that Judge Vance would in all probability become a candidate for Congress and the announcement has never been denied. Since Capt. Ellis has said that he will not become a candidate to succeed him, Mr. Vance would not likely be elected. He is now a candidate for Representative, but that will not effect the issue either way or the other."

SHOPMEN ON A STRIKE.
Nine Hundred of Them Go Out At Louisville.
They Won't Stand the Reduction Made in Their Wages by the I. & N.

SIMILAR ACTION AT OTHER PLACES.
Special to the New Era.
Louisville, Aug. 31.—Nine hundred men employed in the shops of the Louisville & Nashville Railroad in this city, struck at 3:30 o'clock yesterday evening. At noon the company posted notices in the different shops to the effect that the shops would be closed from Thursday until Monday. At 8 o'clock District Manager William C. E. Brown ordered the men to quit work, and every man, carpenter and painter, walked out. The men say that they will not return until their wages are increased. The men are organized in the Shopmen's Union, and the strike is being conducted in a peaceful manner. The shops are now closed, and the railroad is running on a reduced schedule.

THE CHICAGO POSTOFFICE.
The cost of the Chicago postoffice is one-third of its revenue. Chicago goes not only pay for their own postal facilities, but pay three-fifths of the deficit in the postoffice department on the entire mail service—Katie Field's Washington.

ROYAL BAKING POWDER.
Absolutely Pure.
If you wish the lightest, sweetest, finest cake, biscuit and bread, Royal Baking Powder is indispensable in their preparation.

The Purest and the Strongest.
Prof. M. A. Scovell, Director of the Kentucky Agricultural Experiment Station, says:
"My analyses of baking powders of general sale in this State show the 'Royal' to be a cream of tartar baking powder, free from ammonia, alum, lime or any adulterations; that its constituents are better proportioned and that it has a larger amount of leavening gas than any of the others analyzed."
The superiority of this powder is due to the fact that it contains no acid except that derived from the grape.

THE MYSTERIOUS DISAPPEARANCE.
Of Miss Kate Vaughn, of the Howell vicinity.
Causes Much Anxiety on the Part of Friends and Relatives.
The people of the Henderson vicinity are greatly excited on account of the mysterious disappearance of Miss Kate Vaughn. Miss Vaughn attended church at Henderson, Sunday. Her peculiar actions were remarked by her friends, but as she has been considered slightly demented for some time, no especial importance was attached to what she said and did. At the conclusion of the services at church she left in the direction of her home, but from that time nothing has been heard of her, and it is feared that she has drowned herself. The whole neighborhood is searching for her, and the Little River will be dragged to-day. Miss Vaughn is about fifty years old, and has lived nearly all of her life near Howell, where she is greatly loved and respected. She is connected with some of the best people of the county.

On account of the heavy traveling, a result of the World's Fair, it has been found necessary to use two engines on passenger train No. 54, which passes here at 10 o'clock P. M.

The Clarksville papers are trying to make the bicycle riders keep off the pavements. An ordinance to this effect was enacted in this city several months ago. The streets are the proper places for bicycling.

It is not known who the Republicans will put forth for Senator and Representative. Prof. Wm. Robin and Miss Katie McDaniel will be candidates for the nomination of Superintendent of Public Schools.

The country home of Mr. Wm. Reed, near Casey, presented a brilliant picture of happy young people. The occasion was a moonlight picnic given by the young people of the neighborhood. Several couples of young men and ladies from this city attended.

Miss Ora McCamy, daughter of Mr. and Mrs. P. P. McCamy, formerly of this city, but now of Princeton, died in the latter place Saturday, aged nineteen years. The remains were brought to this city over the O. V. road for interment at Earlington.

The people of the Bennettsville neighborhood assembled at Little River church Friday and engaged in a mammoth fish-fry. Several hundred pounds of fish were caught and the day was very pleasantly spent. Several gentlemen from this city attended.

In the presence of about fifty people, Mr. Jas. C. Curtis and Miss Eliza Wiley, of this county, were united in marriage by Clerk Frowse. At the conclusion of the ceremony, the happy young couple made a break hand-in-hand for the ten o'clock train and left for somewhere on a bridal tour.

Chas. Meadows was acquitted by the coroner's jury which sat on the bodies of Pinkney Humphrey and his mother. It is the general opinion that the killing of the Humphreys was a good riddance to the world.

The Humphreys were about the toughest lot of citizens in this part of the State.

Mr. Thos. Keeling and Miss Annie Wade, of Fairview, eloped to Chicago Thursday night and on Friday morning were made man and wife by Rev. Sonell, pastor of the Methodist church of that city. After the ceremony was performed, the bride and groom were taken to the city of Clarksville, at which city they intended to be made man and wife. Parental objections caused the elopement.

Mr. Phil Galtier, of this city, and Miss Mary Wardfield, of Casey, will be married next Tuesday evening. The wedding will occur at the beautiful country home of the bride's father, Mr. Walter Wardfield. Mr. Galtier and his charming bride will occupy one of the Latham cottages on Campbell street.

George Phelps, the popular and efficient telegraph operator for the L. & N. railroad in this city, met with a very painful accident. Monday afternoon he was riding a high bicycle when the tire on the front wheel broke and he fell on the front wheel and broke his left arm.

Miss Mary Gerard, of Henderson, a beautiful young girl, not yet sixteen years old, has filed suit against J. C. Clements, of the same city, charging him with seduction, under the promise of marriage. The case is the talk of the town, and the people are greatly wrought up on account of Clements' deed.

Bowling Green's local option election has after all resulted in a good thing for the city—at least to the city treasury, for under the present system of high license the city will receive a revenue from whisky selling \$100,000 and perhaps more, when formerly it received from this source only about \$4,000. Quite a number of saloon men have already taken out license, and there is every prospect that there will be as many saloons run under high as under low license.

The report that the negro, Judge McNeal, who entered the house of "Squire Dawson near Roaring Springs last Friday night, had been taken to the jail at Cadiz by a mob and lynched, had been widely circulated through the county. The New Era's Cadiz correspondent states that the rumor is false, and that the negro's deed, had been concluded to let the law take its course. McNeal's examining trial is set for tomorrow.

The New Era has been informed of two more weddings that will occur next month. The prospective bride in the first is a charming blonde who lives on North Main street. The fortunate groom is the member of the medical fraternity and lives in St. Louis, where the young couple will make their future home. A fascinating and winsome young lady, a beautiful brunette who lives near Fairview, and who is very popular in this city's social circles, and a wealthy young gentleman who lives near Casey, will be united in marriage the early part of next month.

The distillery at Uniontown is the heaviest taxed one in the State. It is a tremendous concern. There were in the building of it 2,700,000 bricks, 2,500,000 feet of lumber, 2,000 barrels of lime and cement, and it took seven car loads of hoopirons for the tubes. The building is five stories high, and the contract price paid to J. S. Minor, of Louisville, for the work, was \$45,000. The mill contains ten batteries, or ten engines and five boilers, and will have a capacity of crushing 7,500 bushels of corn daily. The total cost was \$400,000.

The Republican County Committee of Christian county, Ky., is respectfully requested to meet at the Court House in Hopkinsville, Ky., on Monday, Sept. 4th, 1893, at 10 o'clock in the morning, for the purpose of filling the vacancies in the Committee, and at 2 o'clock on the same day in convention for the purpose of nominating candidates for Representative, State Senate, and Superintendent of Public Schools for said county, and such other business as may come before the Committee. All members are respectfully asked to be present. Aug. 12th, 1893.

Two small boys named Ed Long and Sam'l Howies had a fight Monday morning in which Howies came out second best. Sammy hit Eddy with his fist, and Eddy slugged Sammy with a brick bat. Howies was badly injured.

Harry Hill, of Henderson, has just been released from the penitentiary at Eddyville. He is now in Henderson and the Journal of that city, says that his old friends there are willing to help him up if he shows a willingness to turn over a new leaf.

Back Irvin and Church Edmonds, who are charged with being burglars who entered the house of Mr. Claggett, who lives near here on the L. & N. T. railroad, were brought to this city Tuesday by the sheriff and Deputy City, and lodged in jail.

The People's party of Christian county will have a mass meeting at the court-house, on the first Monday in Sept., at ten o'clock. All friends of financial reform are invited to attend. W. E. WARDLE, Jr., Secretary of Co. Convention.

Mr. Jos. L. Owen, formerly a grocer in this city, died Monday at the home of his son, in Nashville. He was brought to this city Tuesday and was interred at 3 o'clock in the afternoon in Hopewell Cemetery. Consumption was the cause of Mr. Owen's death.

Mr. R. H. Burt, a prominent farmer of the Casey neighborhood, died Tuesday night, and was buried Wednesday afternoon in the family burying ground at Casey. Mr. Burt was in his fifty-third year of age. He left a wife and four children. Consumption caused his death.

J. W. Riggs and Miss Mary McDowell, of Shady Grove, came to this city Tuesday. They took breakfast at one of the restaurants, and then engaged a hack to carry them to Clarksville, at which city they intended to be made man and wife. Parental objections caused the elopement.

Mr. Phil Galtier, of this city, and Miss Mary Wardfield, of Casey, will be married next Tuesday evening. The wedding will occur at the beautiful country home of the bride's father, Mr. Walter Wardfield. Mr. Galtier and his charming bride will occupy one of the Latham cottages on Campbell street.

George Phelps, the popular and efficient telegraph operator for the L. & N. railroad in this city, met with a very painful accident. Monday afternoon he was riding a high bicycle when the tire on the front wheel broke and he fell on the front wheel and broke his left arm.

Miss Mary Gerard, of Henderson, a beautiful young girl, not yet sixteen years old, has filed suit against J. C. Clements, of the same city, charging him with seduction, under the promise of marriage. The case is the talk of the town, and the people are greatly wrought up on account of Clements' deed.

Bowling Green's local option election has after all resulted in a good thing for the city—at least to the city treasury, for under the present system of high license the city will receive a revenue from whisky selling \$100,000 and perhaps more, when formerly it received from this source only about \$4,000. Quite a number of saloon men have already taken out license, and there is every prospect that there will be as many saloons run under high as under low license.

The report that the negro, Judge McNeal, who entered the house of "Squire Dawson near Roaring Springs last Friday night, had been taken to the jail at Cadiz by a mob and lynched, had been widely circulated through the county. The New Era's Cadiz correspondent states that the rumor is false, and that the negro's deed, had been concluded to let the law take its course. McNeal's examining trial is set for tomorrow.
